Declaration of Political Status

To all whom it may concern, i, a living man known as robert larry jr marshall of brooklyn, new york, of sound mind and body, one of the Indigenous copper colored of the age of majority, not indigent, not penniless, a landlord having been born on the portion of the North American Continent claimed by the united States of America and under their political dominion and more particularly on the land area recognized to be under the political dominion of new york state, and having been born politically free and politically independent, i claim to have been born one of the progeny of the People of the United States as they styled and established themselves in the Preamble of The Constitution for the united States of America and am one of the free, sovereign, and independent people of the United States as defined in The Definitive Treaty of Paris, 1783, and am a beneficiary —not of any Public Charitable Trust— but of The United States Trust; i do freely and under penalty of perjury under the Common Law declare that i have never, ever, willingly, knowingly, and intentionally—having first been fully informed of the negative consequences—voluntarily subjected myself or my property to the authority of the British Crown nor any other artificial political or religious or commercial incorporation and i see no convincing evidence that i ever engaged in any process of naturalization as mandated by United States Statute-at-Large stipulated in the public record at SEVENTH CONGRESS, Session 1, Chapter 28, Sections 1-4, April 14, 1802, which would serve to make me or anyone in my family any form of United States Citizen however styled.

As a beneficiary of The United States Trust merely administered by The United States of America i am entitled and enabled to take against any codicil of the Will established by other beneficiaries and i here declare that i have taken against both the Constitution of the United States of America charter and its various By-Law Amendments made since 1868 and the New Deal announced by Franklin Delano Roosevelt in 1933.

If there should be any evidence to the contrary, let it here be established that any such evidence would only be in existence due to fraud and non-disclosure and adhesion and other improper, unlawful, and illegal contracting practices forbidden by the Common Law, the Law of Admiralty, and the United Nations Convention on Contracts for the International Sale of Goods, and all those United Nations Declarations and Treaties that the United States of America, Incorporated, has agreed to —resulting in press-ganging, inland piracy, unlawful conversion, and secretive change of political status resulting in

Theft from me, the Holder in Due course of my paramount identity, and Breach of Trust owed to me. These criminal acts of non-disclosure and self-interested omission resulting in falsified evidence are not consensual, not to my advantage, and not of my intentional making. By many Maxims of Law all such evidences, claims, and contracts are void ab initio and those advancing such claims would be admitted criminals.
Any such documents that might be ascribed to me are lawfully authorized under the universal Law of Necessity as the fruit of the fraudulent practices and claims set forth in the paragraph above and such documents, if there be any, do not establish any valid contract or agreement rendering me subject to any foreign power nor serve to make me a debtor, voluntary conscript, or chattel acting as surety for any artificial ens legis entity.

Be it also known that i am a peaceful and non-combatant man and not an enemy of any state or people and i freely release and discharge all judges and justices from any obligation to impose statutory military law per Section 17 of the Trading With the Enemy Act as Amended by the Banking Emergency Act of 1934 in any case whatsoever brought before them and bearing my name in any style; and, i hereby record that i do not consent to any statutory military court proceedings related to me or my person(s) in the past, do not consent to any statutory military court proceedings related to me or my person(s) in the present, and do not consent to any statutory military court proceedings related to me or my person(s) in the future: i do not consent once, i do not consent twice, i do not consent three times, but i do accept the oaths of all judges and justices to support and defend The Constitution, i do accept their obligation to operate in amity and friendship in perpetuity with respect to me and my person(s) and vessels in commerce guaranteed by The Definitive Treaty of Peace 1783, The Treaty of Westminster 1794, and their obligation to perform with good faith under the Bar Association Treaty of 1947.

My principle of law is the American Common Law and my court is a court of record on the land of the united States of America and cannot be construed as the Common Law of Admiralty; i claim the Saving to Suitors Clause of the Northwest Ordinance in all matters and issues pertaining to me and my property.

My money is the United States Silver Dollar. All funds deposited, transferred, or disbursed from accounts associated with me or operated under my name are to be denominated as lawful money and all accounts may only be exercised as fiduciary operating accounts and not interpreted otherwise.

To the extent that others may have criminally misrepresented and mischaracterized me for the purpose of press-ganging me and plundering and pillaging my estate in my artificially contrived absence

and caused there to be confusion and false claims regarding my identity, nature, activities and political status i here affirm that i have returned home with a clear conscience and uninterrupted loyalty to my country and there can be no truthful or competent evidence otherwise. As one of those protected by Section 1 of the 14th Amendment of the corporate charter known as the Constitution of the United States of America and Section 9 of the Trading With the Enemy Act Appendix, i accept the oath of the Alien Property Custodian and the United States Treasurer to uphold the Constitution of the United States of America (Inc.) and their obligation to release and return my property free and clear of any damage resulting from their seizure of it, free of all debt, tithes, fees, encumbrances, liens, attachments, secondary titles and deeds held under color of law, involuntary and non-consensual capitulation of my name, forced use of private script in place of lawful money, appointments of usufructs and other impositions, confiscations, and false presumptions made against me and my private property.

It has never been my knowing and free and voluntary Will express or implied to provide any incorporated entity with the benefit of my body or estate — nor have i voluntarily appointed any such incorporated entity as his Trustee or usufruct at any time.

It has never been my knowing and free and voluntary Will express or implied to grant my power of attorney to any incorporated entity.

As the lawful copyright Holder in Due Course of the Trade Names Robert Marshall and Robert Larry Marshall and Robert L. Marshall and as the creator and Holder of the copyrighted pen names Robert Larry jr Marshall and Robert L. Marshall and all derivatives thereof, all autographs, signatures, trademarks, symbols, numbers and seals including all derivatives of any such symbolic representations of me, i consider use of these symbols by anyone pretending to act in my behalf without my explicit and knowing consent obtained under conditions of full disclosure a criminal trespass, infringement, and act of identity theft.

All such exercise of my imprimaturs without my free and knowing consent results in contracts violated by fraud and force. Should any evidences otherwise exist they can only exist as evidence of self-interested crime against me and my nature and estate and as evidence of similar intentional self-interested crime against my progeny as well.
i am set free to exercise my dominion over the jurisdictions of air, land, and sea and no one may otherwise address me or offer any contrary presumption from the beginning to this day and forever afterward: i was, i am, i will be a living heir to the covenant of faith and the covenant of love and i am a true man of the Creator.

As i am the only one having true and first-hand knowledge of my nature, my Will, my intentions, my knowledge at any given time, my actions, their meaning or anything else about me— every word that drops from my lips concerning me is a Matter of Fact and all else is hearsay.

Record of Name (s) Affidavit

In this case the name robert larry jr also called robert larry jr marshall refers to a living man born the second of March in the calendar year 1972, a native to new york and sole son of roseanne and robert of the Lawful House Marshall, biological heir and beneficiary of his parents, his land, his house, his names, all trademarks and symbols and accounts and earthly estate in sum total:

Robert Larry jr Marshall refers to a living man born on the land of the county referred to as kings, a beneficiary of the Divine Estate, and the United States Trust, superior to and set apart from all commercial rules and entities.

Robert Larry Marshall is a Trade Name belonging to the non-combatant living man bequeathed to him on March 2nd, 1972 by his biological parents, mistakenly registered as a commercial vessel enfranchised by the State of New York which was itself a franchise of the bankrupt United States of America, Incorporated, that same year. This Trade Name should have been recorded as an unincorporated business operating on the land jurisdiction of the organic states instead of being registered as a foreign situs trust operating in the foreign jurisdiction of the sea—- a mistake and disservice for which the living beneficiary seeks full correction and remedy.

ROBERTL. MARSHALL - a non-combatant commercial vessel structured as a Foreign Grantor Trust rightly belonging to the living beneficiary who is the same man native to new york but mistakenly created as a franchise of the UNITED STATES which acquired all franchises and property of the bankrupt United States of America, Incorporated, and which then acted as a usufruct to establish new franchises benefiting itself - a circumstance for which the living beneficiary seeks full correction and cure as required by Article IV of the still potent Testui Cue Vie Act of 1666: "should the dead Man should he be found alive" all property held in his name must be returned to him free and clear of debts, liens, and other encumbrances established by presumed secondary beneficiaries. The establishment of this ESTATE trust is again a mistake and disservice for which the living beneficiary seeks full correction and cure.

ROBERTL. MARSHALL is a public transmitting utility which has been created by USA, INC. acting as a usufruct of yet another merely presumed secondary beneficiary of the living man and his estate, a mistake and disservice for which he claims full correction and remedy.

Robert Larry Marshall jr and Robert L. Marshall are both pen names created by the living man called robert larry jr marshall on or about April 4th 2016, to which he retains all lawful claim and copyright for his use from that day forward.

i, robert larry jr, the lawful Holder in Due Course and Entitlement Holder of all property bequeathed to me including my given names and names created by me, being of the age of majority and sound mind and body, not indigent, not penniless, not incompetent, and not at fault for the mismanagement and bad faith of those entrusted to care for my property, request immediate correction of the records and reconveyance of all property held or formerly held in my name(s) plus settlement of my accounts reflecting the fact that i am not a decedent, not unknown, and not a pauper.

i, robert larry jr, a true man of the creator, have never knowingly, willingly, or voluntarily sought any benefit from nor accepted any office or role as an administrator or co-trustee or co-beneficiary of the Public Charitable Trust (PCT) established for the benefit of displaced plantation slaves in the wake of the American Civil War, say that I am not a slave nor former slave, not an indentured servant of any kind, not under any kind or condition of color, not a corporation, not an artificial person, not a taxpayer, not a United States citizen of any style or stripe, not now and not ever considering such citizenship a benefit, and not subject to the limitations of any civil rights conferred upon me, not seeking welfare, not employed by any franchise of any governmental services corporation, not seeking any corporate privilege, not stateless and not in need of any political asylum, not a member of any political party, religion, or cult, not an enemy toward any people or state.

As i, robert larry jr, a true man of the creator, am the only one having any first-hand knowledge of my Will, my knowledge, my intentions, or my nature, every word that falls from my lips and every act that proceeds from my hand is a Matter of Fact and all else is hearsay.

So said and so done this 22 day of February in the calendar year 2017: by robert larry jr marshall, beneficiary, first lien holder for Robert Larry jr Marshall: _____ all rights reserved.

Marshall;
